Fiscal Year 2021

# BUDGET: HHCS PROPOSED SAVINGS

Last updated 5/7/20

### **CONTINUING HHCS SERVICES DURING COVID**

- Continued WIC services via phone/mail
- Expanded Seniors Food programs all delivery
- Shelter+Care administration and placements
- Continued Mental Health Services: tele-health, staggered schedules, phones for clients
- Environmental Health: Vector control partnership with County, responding to complaints, food facility visits/support re: new ways of doing business
- Vital Statistics birth and death certificates; Tobacco education; limited clinic services
- Helping seniors with obtaining needed goods
- Continued invoicing for services, grants processing, electronic timecard submissions
- Planning for YouthWorks programs, Support for non-profit partners
- Housing Trust Fund development loan agreements

### HHCS/EOC COVID-19 RESPONSE

- Testing
- Contact tracing/Case Monitoring
- Outbreak prevention management
- Education/communication

- Coordinated Outreach: Education, hand sanitizer, masks, food distribution/hot meals
- Mobile shower program with laundry; Additional hours at Willard/West Campus
- Additional port-a-potties and handwashing stations
- Housing retention grants 214 households
- Existing Shelters: Evaluation of physical plants & procedures, supplies, decompression
- Expanded shelter opportunities: 18 RVs, 4 BR house for vulnerable populations
- Utilization of Operation Comfort and Safer Ground
- Hotel continue working with County

## FINANCIALS FY20

# Expenditures: By Fund -\$70,861,209

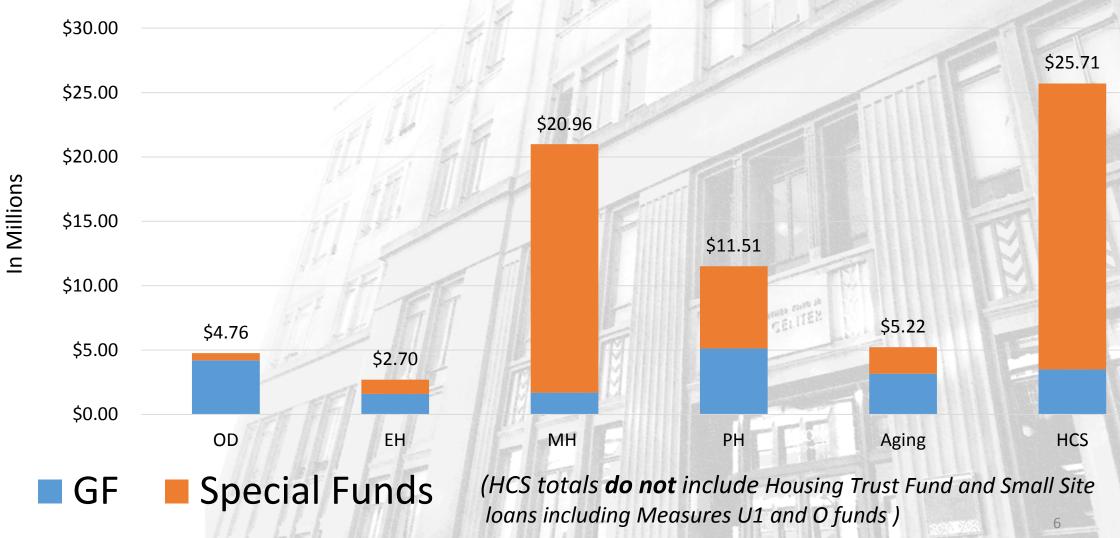

27%

73%

General Fund Special Funds

### FINANCIALS

# HHCS DEFERRALS/SAVINGS STRATEGY:

- 1) Cost shift expenses from GF to available special funds as appropriate;
- 2) Continue to fund essential services to the greatest extent possible;
- 3) Defer positions with greatest savings and least impact on services.

HHCS does not have significant overtime costs that will be impacted by the deferrals or could serve as savings. Likewise, we only have \$40,000 total GF for the entire department for travel/training, and we are deferring \$20,000

\*\* It is important to note that as staff are funded to a greater degree through special funds, they have less flexibility and adaptability in the work they can perform. They need to document the time and effort they are spending on grant funded work, which limits their ability to do other things.

# HHCS – Proposed Savings: 10% \$1,468,827

Public Health Emergency Preparedness Grant – New Funding FY21 \$258,020

*Re-Allocate GF Costs to new COVID Funding to support COB response. Must be spent by 3/31/21* 

Health Officer Unit – Infectious Disease - Grant One Year funding \$80,000

Use funds to support Communicable Disease staff in FY21 = Unable to use for new programs. First year funds of 3 year grant

Reduced YouthWorks Program Summer 2020

*Limit Summer 2020 program to 50 highest need youth, Defer filling vacancies for 3 and 6 months – results in HCS unable to administer relocation ord.* 

**Office of Director Vacancy –** Defer filling Acct. Office Spec. III 1 year **\$109,000** 

\$418,725

\$865,745

Redistribution of work to other staff, difficult ERMA implementation

HHCS – Proposed Deferrals: 10% \$1,468	,827
<b>PH Vacancies —</b> Defer filling: Health Services Supervisor 6 months; Senior Health Services Specialist for 1 year	\$302,407
Reduced Management PH Clinic, reduced PH Administrative support	
Aging Services Vacancy – Defer filling: Office Specialist II for 1 year	\$105,000
Reduced clerical support for programs	
<b>Environmental Health Vacancies</b> — Defer filling: Registered EH Specialist for 1 year; Vector Control Technician for 1 year	\$185,000
Work re-distributed to other staff, may need to reduce number/frequency of inspections	
\$865,745 + \$701,907 =	\$1,458,652

# HHCS – Proposed Deferrals: 12% \$1,762,593 \$74,100 **Aging Services Redistribution**: Use Targeted Case Mngmt. Fund Balance for .50FTE Comm. Serv. Specialist for 1 year Reduction of Targeted Case Management fund balance – it can handle one year **Defer Sugar-Sweetened Beverage** Non-personnel costs \$30,000 Unable to use funds for any other programs \$104,100 10

HHCS – Proposed Deferrals: 12% \$1,76	52,593
Housing and Community Services Admin. Funds: GF personnel costs to HEAP admin funds	\$50,000
Reduced flexibility and capacity of staff funded with these funds	
Housing and Community Services Vacancy: Fund Senior Management Analyst with new Fed. Admin funds instead of Measure P and U1 funds for 2 years	\$181,933
Funds unable to be for other purposes	
\$1,458,652 + \$104,100 + 231,933 =	\$1,794,685

HHCS – Proposed Deferrals: 15% \$2,20	03,241
Housing and Community Services Admin. Funds: GF personnel costs to Federal admin funds	\$75,000
Reduced flexibility and capacity of staff funded with these funds	
Housing and Community Services Admin. Funds: GF personnel costs to County Boomerang admin funds	\$90,000
Reduced flexibility and capacity of staff funded with these funds	
	\$165,000
	12

HHCS – Proposed Deferrals: 15% \$2,20	03,241
Housing and Community Services Vacancy: Defer filling Community Services Specialist II for 1 year	\$162,353
Work redistributed to current staff, more grant funding for all staff and less flexibility	
All Divisions – Reduce Non-personnel costs: Meals/Travel/Registration; Misc. Professional Services	\$80,000
\$1,794,685 + \$165,000 + \$242,353 =	\$2,202,038
	13
